**FEDERAL COMMUNICATIONS COMMISSION**

**[OMB 3060-0817]**

**Information Collection Being Reviewed by the Federal Communications Commission**

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice and request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

**DATES:** Written PRA comments should be submitted on or before **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If you anticipate that you will be

submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all PRA comments to Nicole Ongele, FCC, via email [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [Nicole.Ongele@fcc.gov](mailto:Nicole.Ongele@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information about the information collection, contact Nicole Ongele at (202) 418-2991.

**SUPPLEMENTARY INFORMATION:**

**OMB Control Number:** 3060-0817.

**Title:** Computer III Further Remand Proceedings: BOC Provision of Enhanced Services (ONA Requirements), CC Docket No. 95-20.

**Form Number:** N/A.

**Type of Review:** Revision of a currently approved collection.

**Respondents:** Business or other for-profit entities.

**Number of Respondents:** 3 respondents; 6 responses.

**Estimated Time per Response:** 2-50 hours.

**Frequency of Response:** On occasion; reporting requirements and third party disclosure.

**Obligation to Respond:** Required to retain or obtain benefits. Statutory authority for this information collection is in 47 U.S.C. sections 151, 152, 154, 161, 201-205, 208, 251, 260 and 271-276.

**Total Annual Burden:** 150 hours.

**Total Annual Cost:** No cost.

**Privacy Impact Assessment:** No impact.

**Nature and Extent of Confidentiality:** The Commission is not requesting that the respondents submit confidential information to the FCC. However, applicants may request confidential treatment of information they assert is confidential under 47 CFR 0.459 of the Commission's rules.

**Needs and Uses:** The Commission has eliminated certain reporting requirements because the Bell Operating Companies (BOCs) are no longer required to file semi-annual reports with the Commission addressing Comparably Efficient Interconnection (CEI) and Open Network Architecture (ONA) services. BOCs are required to post their CEI plans and amendments on their publicly accessible Internet sites. The requirement extends to all CEI plans for intraLATA information services, telemessaging, or alarm monitoring services, and for new or amended payphone services. If the BOC receives a good faith request for a plan from someone who does not have Internet access, the BOC must notify that person where a paper copy of the plan is available for public inspection. The CEI plans will be used to ensure that BOCs comply with Commission policies and regulations safeguarding against potential anticompetitive behavior by the BOCs in the provision of information services.

**FEDERAL COMMUNICATIONS COMMISSION.**

**Sheryl D. Todd,**

Deputy Secretary,  
Office of the Secretary,  
Office of the Managing Director.
